To support our swimmers and make the meets run smoothly, we ask that each family volunteer to work at two meets during the season. Two people could work one meet or one person for two meets. Please indicate your job preference and meet preference ranking them in numeric order (i.e., 1, 2, 3). A schedule will be prepared and posted on the burtonhollowswim.com website as well as the Swim Team Bulletin Board. Jobs will be on a first come first serve basis however if you are in need of specifics due to travel plans, obligations, etc. we will certainly try to accommodate your needs. The help of our parents and families ensures our success in timely, fun meets!
